RURAL ELECTRIFICATION ADMINISTRATION

PROGRESS BULLETIN  
GENERAL - NO. 12.

SEPTEMBER 29, 1937  
NEW ALLOTMENTS

REA today announced the following allotments:

ILLINOIS 8021B Menard

A. E. Becker, Project Supt.,  
Menard Electric Cooperative,  
Petersburg, Illinois

Partial additional allotment of \$140,000 out of a total of \$448,000 requested to build 395 miles of line to serve about 1,197 customers in Mason, Menard, Cass, Logan and Sangamon Counties. The first section, consisting of 116 miles of line to serve 348 customers, has been completed and energized. The source of power is the Central Illinois Public Service Company at a rate of 1.2¢ per kwh.

IOWA 8031B Grundy

Raleigh F. Cramer, Project Supt.,  
Grundy County Electric Coop.  
Association, Grundy Center, Iowa.

Additional partial allotment of \$100,000 out of total requested of \$240,000 to build 249 miles of line to serve about 900 customers in Grundy, Marshall, Blackhawk and Hardin Counties. Previously, an allotment of \$100,000 had been made, making a total of \$200,000 allotted to this project. The first section is now under construction. Although all Iowa allotments have been held up pending a ruling by the State Commerce Commission regarding the cost of eliminating inductive telephone interference, this allotment is released because the Grundy County cooperative submitted agreements with the telephone companies that no such claim would be made.

KENTUCKY 8038 Fulton

Cooperative being formed.  
(Rosco Stone, Hickman,  
Kentucky - correspondent)

Partial allotment of \$100,000 out of a total of \$232,000 requested to build 212 miles of line to serve about 895 customers in Fulton and Hickman Counties, Kentucky, and Obion County, Tennessee. Power will be supplied by TVA.

TEXAS 8030A Upshur

Cooperative being formed.  
(W. D. Seals, Gilmer,  
Texas - correspondent)

Partial allotment of \$70,000 out of a total requested of \$140,000 to build 142 miles of line to serve about 635 customers in Upshur, Gregg and Harrison Counties, Texas. The source of power will probably be the Southwestern Gas and Electric Company.

TEXAS 8040A Bowie

Cooperative being formed.  
(Mrs. J. C. Morriss,  
Douglassville, Texas -  
correspondent)

Partial allotment of \$174,000 out of a total requested of \$499,000 to build 513 miles of line to serve about 1,853 customers in Titus, Morris, Cass and Bowie Counties. The source of power will probably be the Southwestern Gas and Electric Company.

TEXAS 8047B Deaf Smith  
Henry V. Mennen, Project Supt.,  
Deaf Smith Electric Coop.,  
Hereford, Texas.

Additional allotment of \$119,000 to build 96 miles of line to serve about 146 customers in Deaf Smith County. This makes a total of \$254,000 allotted to this project, and the first section is now under construction. The source of power is the Texas-New Mexico Utility Company.

WISCONSIN 8016B Douglas  
Head of the Lakes  
Cooperative Electric  
Association,  
(George Halonen, Sr.,  
President)  
Superior, Wisconsin.

Additional allotment of \$54,000 to build 43 miles of line to serve about 160 customers in Douglas County. This makes a total of \$154,600 allotted to this project. This additional allotment includes \$4,000 operating capital for the combined project and \$7,500 required to complete construction on the first section. The source of power is the Superior Water Light and Power Company.

WISCONSIN 8049 Dunn  
Cooperative being formed.  
(M. B. Rotnem, Elk Mound,  
Wisconsin - correspondent)

Partial allotment of \$50,000 out of total requested of \$620,000 to build 573 miles of line to serve about 1,858 customers in Dunn, Chippewa, Eau Claire, Pepin and Fierce Counties. The source of power will be the Wisconsin cooperative generating plant now being built with funds from an REA loan
